

Thrive Supply Drives: Equip & Empower Kids in YOUR Community

Thrive Youth is a Canadian charity that empowers underserved youth to become leaders through creative, arts-based opportunities. We help young people facing barriers and adversity build confidence and resilience.

When your company partners with Thrive for a supply drive, you're directly supporting our mission to support children nationwide. Beyond providing essential tools, your participation fosters community support, boosting children's confidence and motivation. You're doing more than just leveling the playing field, you're showing these children they matter. You're giving them the tools they need to learn and grow, while also providing a sense of belonging and support that makes a difference in their lives.

Make a Difference in the Lives of Local Kids & Teens

Thrive Youth Supply Drives offer your company a unique opportunity to support children in your community by providing them with essential school and art supplies. Partnering with Thrive allows you to:

- Demonstrate your commitment to social responsibility and community engagement.
- Boost employee morale and engagement through a meaningful team-building activity.
- Generate positive PR and brand recognition for your company.
- Equip children in your local community with the materials they need to succeed.

How it Works

Partner with Thrive: Your company signs on to host a supply drive. Thrive provides the templates and supply lists to help get the ball rolling.

Set Goals and Deadlines: You determine the scope of your drive and set deadlines that align with your company's goals and workflow.

Collect Supplies: Your employees gather & donate school and art supplies.

Pack Backpacks: Thrive provides special backpacks & co-branded cards for the donated materials.

Spread the Word: Capture photos of your team in action and share them with Thrive for promotion on social media and our quarterly newsletter.

Distribute Supplies: Thrive connects with schools and community organizations in your area to ensure the donated materials reach children in need.

Pricing

Our pricing model is based on the number of children you wish to support, and covers the cost of the backpacks plus co-branded cards:

Children Served	Cost per Child	Total
50	\$7.25	\$362.50
100	\$7.00	\$700
250	\$6.75	\$1,687.50
400	\$6.50	\$2,600
600+	\$6.25	\$3,750+
